5. **Resolution 4: Approval of new Employee Incentive Plan**

5.1 **Background**

The Company considers that it is desirable to adopt an updated Employee Incentive Plan (**New Plan**) pursuant to which the Company may issue equity securities to attract, motivate and retain key Directors, employees and consultants and provide them with the opportunity to participate in the future growth of the Company.

The New Plan incorporates amendments to the Corporations Act since the existing Plan was approved by Shareholders on 22 July 2020 (**Existing Plan**). The Directors believe that it is preferable in the circumstances to replace the Existing Plan with the New Plan rather than to amend a multitude of specific provisions to ensure compliance with the new legislative regime.

Resolution 4 seeks Shareholders' approval for the adoption of, and the issue of securities under, the New Plan in accordance with Listing Rule 7.2 exception 13(b).

Under the New Plan, the Board may offer to eligible persons the opportunity to subscribe for such number of Equity Securities in the Company as the Board may decide and on the terms set out in the rules of the New Plan, a summary of the key terms and conditions of which is set out in Schedule 1. A copy of the New Plan can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

5.2 Summary of legislative changes

The *Treasury Laws Amendment (Cost of Living Support and Other Measures) Act 2022 (Cth)* introduced a new Division 1A into Part 7.12 of the Corporations Act in relation to employee share schemes (**New EIP Rules**). The legislation, which took effect from 1 October 2022, replaces and expands the previous ASIC Class Order [CO 14/1000] (together, the **Class Order**).

A summary of the key changes applicable to the Company under the New EIP Rules are set out below.

(a) Expanded eligibility

Class Order regulatory relief was previously only available for issues to directors, full time and part time employees and casual employees or contractors that are 40% or more full time equivalent.

Under the New EIP Rules, an offer may only be made to specified “primary participants” (being directors, employees and service providers, with no minimum requirements of hours of service provided) or certain related persons to a primary participant (such as certain immediate family members, controlled bodies corporate or a related self-managed superannuation fund).

(b) Issue cap

(i) No monetary consideration

Under the Class Order, issue caps of 5% of a listed entity’s fully paid shares apply over a rolling period of 3 years (irrespective of whether monetary consideration is required) when relying on Class Order relief.

Under the New EIP Rules, there is no cap on issues made for no monetary consideration. Caps only apply to issues made for monetary consideration (being 5% for listed entities unless a higher cap is specified in the Constitution).

Further, offers of eligible interests to participants under an employee securities incentive plan which would not ordinarily require disclosure, such as offers to senior managers or small- scale offerings are not required to comply with the issue cap.

(ii) Monetary consideration

As noted above, under the Class Order, issue caps of 5% of a listed entity’s fully paid shares apply over a rolling period of 3 years (irrespective of whether monetary consideration is required) when relying on Class Order relief.

Under the New EIP Rules, the number of ESS interests issued over a three-year period must not exceed 5% of the issued share capital unless the entity’s constitution specifies a different issue cap.

The Proposed Constitution which is proposed to be adopted by the Company under Resolution 9 provides for an issue cap of 10%, as per the Existing Plan.

(c) Disclosure requirements

The Class Order does not distinguish between offers for monetary consideration and those without, with the same disclosure requirements for both offers.

Under the New EIP Rules, offers made for no monetary consideration do not have any specific requirements, other than the need for a statement that the offer is made pursuant to Division 1A of Part 7.12 of the Corporations Act.

In the case of offers made for monetary consideration, an offer document is required (with specific disclosure requirements) and participants cannot acquire their interests until 14 days after receiving the necessary disclosure from the entity.

(d) Quotation and suspension requirements

Class Order relief is only available where an entity meets the minimum quotation period of 3 months prior to making an offer of eligible interests. In addition, relief is prohibited if an entity is suspended from quotation for over 5 days in the preceding 12-month period.

Under the New EIP Rules, listed entities can offer eligible interests without first meeting any minimum quotation period, and regardless of any suspensions to the trading of securities.

(e) On-sale relief

The Class Order provides relief from the on-sale provisions for securities issued under the Class Order. Pursuant to the New EIP Rules, listed entities must issue a cleansing notice to ensure that any Shares issued (including following the exercise of any options and performance rights) may be on-sold within 12 months of issue.

(f) Criminal offences

A number of new offences created under the New EIP Rules, including misleading and deceptive statement offences and offences relating to holding participants' money. In addition, regulatory relief can be revoked if any of the below are breached:

- (i) compliance with the monetary cap;
- (ii) compliance with the issue cap; and
- (iii) providing disclosure documents at the required time.

5.3 Summary of changes to the Existing Plan versus the New Plan

A summary of the key changes under the New Plan are set out below.

(a) Expanded eligibility

Under the Existing Plan, offers of options, performance rights, loan shares, deferred shares and exempt shares (**Awards**) may be made at the discretion of the Board to "Employees" (as defined as a person who is an employee, officer, director or consultant of a Group entity).

In accordance with the New EIP Rules, under the New Plan, the Board will have discretion to offer Awards to:

- (i) "Employees" (as defined as a person who is an employee, officer, director or consultant of a Group entity); and
- (ii) "Related persons" (as defined as immediate family members, controlled bodies corporate or a related self-managed superannuation fund).

(b) Issue cap

As noted above, the New EIP Rules, the number of ESS interests issued over a three-year period must not exceed 5% of the issued share capital unless the entity's constitution specifies a different issue cap (ie. regardless of a higher issue cap being included within the EIP).

Accordingly, the issue cap has been removed from the New Plan and the provisions of the Proposed Constitution provide that, for the purposes of section 1100V of Division 1A of Part 7.12 the Corporations Act, the issue cap percentage for the Company is 10%, as per issue cap in the Existing Plan.

(c) Disclosure requirements

In accordance with the New EIP Rules, the provisions of the New Plan amend rule 5.2 such that it only applies to offer of Awards where monetary consideration has been paid.

For offers of Awards where there is no monetary consideration, the provisions of the New Plan set out a new rule 5.3 which states that offers made for no monetary consideration do not have any specific requirements, other than the need for a statement that the offer is made pursuant to Division 1A of Part 7.12 of the Corporations Act.

5.4 ASX Listing Rule 7.2 exception 13(b)

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

Under Listing Rule 7.1A an eligible entity can seek shareholder approval at its annual general meeting to allow it to issue Equity Securities comprising up to 10% of its issued capital.

Listing Rule 7.2, exception 13(b) provides an exception to Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

If Resolution 4 is passed, the Company will be able to issue Equity Securities under the New Plan to eligible participants over a period of 3 years without using the Company's 15% annual placement capacity under Listing Rule 7.1.

If Resolutions 4 is not passed, the Company will not be able to issue Equity Securities under the New Plan to eligible participants over a period of three years without using the Company's 15% annual placement capacity under Listing Rule 7.1. Any Equity Securities issued under the New Plan will reduce the Company's 15% annual placement capacity under Listing Rule 7.1.

However, any future issues of Equity Securities under the New Plan to a related party or a person whose relation with the Company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

5.5 Information required by Listing Rule 7.2, exception 13(b)

- (a) The material terms of the New Plan are summarised in Schedule 1 of this Notice.
- (b) Since the Existing Plan was approved by Shareholders on 22 July 2020, the Company has issued 69,421,000 securities (in the form of options and rights) under the terms of the Existing Plan;
- (c) If Resolution 9 to adopt the Proposed Constitution is passed, the Company may issue up to 114,337,736 equity securities under the New Plan pursuant to Listing Rule 7.2, exception 13(b) (representing 10% of the equity securities on issue at the date of the Meeting). If Resolution 9 is not passed, in accordance with the New EIP Rules, the Company may issue up to 57,168,868 equity securities under the New Plan pursuant to Listing Rule 7.2, exception 13(b) (representing 5% of the equity securities on issue at the date of the Meeting).
- (d) A voting exclusion statement is included in the Notice.

5.6 Voting Exclusion

A voting exclusion statement applies to this resolution, as set out in the Notice.

5.7 Board recommendation

The Board declines to make a recommendation in relation to Resolutions 4 due to their material personal interest in the outcome of the Resolution.

6. Resolutions 5: Ratification of prior issue of Commencement Shares, First Tranche Convertible Notes and First Tranche Options - A to Mercer Street Global Opportunity Fund, LLC

6.1 Background

As announced to ASX on 7 March 2023, the Company entered into a Convertible Securities Agreement with Mercer Street Global Opportunity Fund, LLC, a US-based investment fund managed by Mercer Street Capital Partners, LLC to provide funding to the Company of up to \$15,000,000 (**Convertible Securities Agreement** or **CSA**).

Under the terms of the CSA the Company issued the following securities to Mercer on 21 March 2023:

- 22,058,824 Shares for nil consideration for entering into the CSA (at a deemed issue price of \$0.017 per Share) (**Commencement Shares**);
- 1,650,000 Convertible Notes with a face value of \$1 each as consideration for a \$1,500,000 investment by Mercer (**First Tranche Convertible Notes**); and
- 14,138,956 unlisted options with a three year expiry with an exercise price of \$0.0374 each (**First Tranche Option - A**),
(together, the **First Tranche Mercer Securities**).

6.2 Convertible Securities Agreement

Under the Convertible Securities Agreement, Mercer initially invested \$1.5 million in Convertible Notes (**First Tranche**). Additionally, subject to closing conditions and Shareholder approval, Mercer will invest in a further \$1.0 million in Convertible Notes (**Second Tranche**). Mercer may invest up to a further \$12.5 million in Convertible Notes which is also subject to either Shareholder approval or the Company having available placement capacity in accordance with the ASX Listing Rules, and agreement by Mercer and the Company (**Subsequent Tranches**).

In addition to executing the CSA, the Company also executed a General Security Deed in favour of Mercer to secure any amounts owing to Mercer under the CSA from time to time. The terms of General Security Deed are materially on market terms.

The material terms of the CSA are set out below.

(a) Convertible Notes

- Under the First Tranche, 1,650,000 Convertible Notes (with a face value of \$1 per note) were purchased by Mercer for consideration of \$1.5 million. The First Tranche Convertible Notes entitles Mercer the right to convert the notes into fully paid ordinary shares at 90% of the lowest VWAP during the 15 trading days immediately prior to the issue of a conversion notice, subject to the Floor Price (of \$0.0125). Should Mercer issue a conversion notice within three months of the term the conversion price will be fixed at \$0.03.
- The First Tranche utilised the Company's existing placement capacity under Listing Rule 7.1.
- Under the Second Tranche, 1,100,000 Convertible Notes (with a face value of \$1 per note), if approved by Shareholders no later than 31 May 2023, will be purchased for \$1.0 million and entitles Mercer the right to convert the notes into fully paid ordinary shares at 90% of the lowest VWAP during the 15 trading days immediately prior to the issue of a conversion notice, subject to a Floor Price.
- Shareholder approval in respect of the Convertible Notes (and related Options) to be issued under the Second Tranche is being sought by the Company under Resolution 7 at the Meeting.
- For a period of 18 months from the date of the CSA, up to a further \$12.5 million may be drawn down by the Company (in multiples of \$0.5 million), subject to mutual agreement between the Company and Mercer prior to any draw downs including satisfaction of certain draw down conditions, and the Company either having sufficient placement capacity under the ASX Listing Rules or obtaining Shareholder approval to issue the relevant securities.
- Shareholder approval in respect of Subsequent Tranches is being sought by the Company under Resolution 8 at the Meeting. In the event that Shareholder approval is not received in respect of

the Subsequent Tranches, the Company may from time to time issue Convertible Notes (and related Options) under Subsequent Tranches using its placement capacity under Listing Rule 7.1.

- Convertible Notes issued under Subsequent Tranches are subject to the same pricing and other mechanisms as the first two tranches.
- All Convertible Notes have a term of 18 months from the draw down date.
- No interest is payable on the Convertible Notes or the undrawn funds.
- Mercer may convert any Convertible Notes at any time prior to maturity, by giving the Company a conversion notice, provided such conversion is for a face value in an amount equal to or greater than \$25,000 (unless the remaining face value of the Convertible Notes on issue is less than \$25,000, in which case for the full remaining value).
- The Company has the right to repurchase any unconverted notes, at any time during the term of each tranche, at 105% of the outstanding face value. If the repurchase is elected, Mercer will have the right to convert up to 30% of any outstanding face value prior to settlement.
- In the event of a default by the Company, the Company must pay interest at a rate of 15% per annum on the face value of all outstanding convertible notes. The relevant interest will accrue from the date of default, calculated daily and compounded monthly until the outstanding liability is satisfied.

(b) Commencement Shares and options

- Mercer received 22,058,824 new Shares at no cost for entering into this agreement (at a deemed issue price is \$0.017 per Share).
- Additionally, for each tranche drawn down, Mercer will receive 75% option coverage to purchase new Shares in the Company.
- For the First Tranche, a total of 42,134,832 Options will be issued to Mercer at an exercise price of \$0.0374. 14,138,956 of these options, being the First Tranche Options - A, were issued under the Company's existing placement capacity Listing Rule 7.1 capacity. The remainder of the 27,995,876 Options under the First Tranche (**First Tranche Options - B**) will be issued subject to Shareholder approval which is being sought by the Company under Resolution 6 at the Meeting.
- If Shareholder approval is not obtained in respect of the First Tranche Options - B, then a fee of \$250,000 will be payable by the Company to Mercer.
- For the Second Tranche, a total of 28,089,888 Options will be issued to Mercer at an exercise price of \$0.0374.
- For each Subsequent Tranche, the number of Options to be issued will be calculated based on 75% of the relevant investment amount, divided by the 20 day VWAP per Share immediately prior to the date of issue of the relevant Options. The exercise price of any Options issued under a Subsequent Tranche will be 140% of the 20 day VWAP per Share immediately prior to the date of issue of the relevant Options.
- Options will have a three-year term and will be unlisted.

(c) Conditions

The issue of securities under the Convertible Securities Agreement will be subject to certain final closing conditions, including:

- the Company obtaining Shareholder approval under the Listing Rules for the Second Tranche of the Convertible Notes (and related Options);
- the Company otherwise being permitted to issue the securities under the Listing Rules;
- the Company issuing a cleansing statement for the securities (as applicable);
- customary conditions such as representations and warranties being true and correct; and
- authorisations and consents being obtained, delivery of documents, and no default by the Company.

(d) Takeover limitation

- Mercer shall not acquire a relevant interest in Shares which causes its voting power in the Company of the Investor and its associates (as defined in the Corporations Act) to exceed 19.99%, and the Company is not required to issue any Shares to Mercer or its associates if it reasonably considers that the issue of Shares will result in a breach of this takeover limitation or the Corporations Act.

(e) Termination and repayment provisions

The Convertible Securities Agreement is subject to a number of termination provisions which may prevent the Company drawing on the funding facility or require repayment of the Convertible Notes prior to their maturity. This includes where:

- there is an event of default that is not remedied;
- there is a change of control of the Company under a takeover bid or scheme of arrangement;
- the Company's shares are delisted from the ASX (subject to certain exceptions in respect of early repayment); or
- there is an adverse change in law affecting Mercer.

6.3 ASX Listing Rule 7.1 and 7.4

Under Listing Rule 7.1, the Company is permitted to issue within a 12 month period Equity Securities equal to up to 15% of its ordinary Equity Securities on issue without Shareholder approval. The issue of the First Tranche Mercer Securities occurred on 21 March 2023 without Shareholder approval using the Company's existing capacity under ASX Listing Rule 7.1.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1 by permitting the ratification of previous issues of Equity Securities which were not made under a prescribed exception under ASX Listing Rule 7.2 or with security holder approval, provided that such issues did not breach the 15% threshold set out by Listing Rule 7.1. If security holders of a company approve the ratification of such previous issues of Equity Securities at a general meeting, those Equity Securities will be deemed to have been issued with security holder approval for the purposes of ASX Listing Rule 7.1.

Accordingly, if Shareholders ratify the Company's previous issue of Commencement Shares, First Tranche Convertible Notes and First Tranche Options - A (which were issued under Listing Rule 7.1) by way of approving Resolution 5, the Commencement Shares, First Tranche Convertible Notes and First Tranche Options - A will be deemed to have been issued with Shareholder approval for the purposes of ASX Listing Rule 7.1 and will no longer be deducted from the Company's 15% placement capacity.

If these previous issues of securities are not ratified, those securities will be deducted from the Company's 15% placement capacity, thereby reducing the Company's ability to utilise its placement capacity for the balance of the relevant 12 month period.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 7.

9. **Resolution 8: Approval of the future issue of Subsequent Tranche Convertible Notes and Subsequent Tranche Options to Mercer Street Global Opportunity Fund, LLC**

9.1 **Background**

As noted in section 6.2 of this Explanatory Memorandum, under the Convertible Securities Agreement, up to a further \$12.5 million (which can be drawn in multiples of \$0.5 million) may be drawn down by the Company under Subsequent Tranches, subject to mutual agreement between the Company and Mercer prior to any draw downs, and the Company either having sufficient placement capacity under the ASX Listing Rules or obtaining Shareholder approval to issue the relevant securities.

Shareholder approval in respect of Subsequent Tranche Convertible Notes and Subsequent Tranche Options is being sought by the Company under this Resolution 8. Obtaining Shareholder approval provides the Company with maximum flexibility to quickly raise additional funds should the need arise.

In the event that Shareholder approval is not received in respect of the Subsequent Tranches, the Company may from time to time issue Convertible Notes (and related Options) under Subsequent Tranches using its placement capacity under Listing Rule 7.1.

A) Subsequent Tranche Convertible Notes

The number of Convertible Notes to be issued to Mercer under the Subsequent Tranches is calculated as follows:

No. of Convertible Notes = 110% x investment amount

For example, if the Company requests and Mercer invests the maximum investment amount under all Subsequent Tranches of \$12,500,000, the Company would issue 13,750,000 Convertible Notes to Mercer (each with a face value \$1.00, representing a total face value of \$13,750,000).

The maximum number of Convertible Notes that may be issued under all Subsequent Tranches is up to 13,750,000 Convertible Notes (**Subsequent Tranche Convertible Notes**).

The number of Shares to be issued upon conversion of the Subsequent Tranche Convertible Notes (**Conversion Shares**) is calculated as follows:

Conversion Shares = Face Value / Conversion Price

where,

Face Value = \$1.00 per Subsequent Tranche Convertible Note

Conversion Price = the higher of:

90% of the lowest daily VWAP of the Shares for the 15 trading days on which Shares traded in the ordinary course of business on the ASX ending on the date immediately prior to the relevant conversion notice; and

the Floor Price.

For example, if Mercer is issued the maximum number of Subsequent Tranche Convertible Notes, being 13,750,000 Convertible Notes with a total face value of \$13,750,000, and the Floor Price is applicable, upon conversion of the Convertible Notes into Shares, the Company would issue 1,100,000,000 Shares to Mercer. The maximum number of Shares which may be issued upon conversion of all Subsequent Tranche Convertible Notes is 1,100,000,000 Shares.

The table below is provided to demonstrate the number of Shares that may be issued upon conversion of the Subsequent Tranche Convertible Notes at various VWAPs, based on the maximum investment amount of \$12,500,000. Notwithstanding the figures shown in the table below, in accordance with the CSA, the Company is not required to issue any Shares to Mercer if it reasonably considers that the issue of Shares will result in Mercer's voting power in the Company exceeding 19.99%.

VWAP (15-day)	\$0.01250	\$0.0170	\$0.0200	\$0.0500
Conversion Price¹	\$0.01250	\$0.0153	\$0.018	\$0.0450
Shares issued on conversion of Subsequent Tranche Convertible Notes	1,100,000,000	898,692,810	763,888,889	305,555,556
Total Shares on issue following conversion²	2,243,377,358	2,042,070,168	1,907,266,247	1,448,932,914

Notes:

¹ The Conversion Price is lower than the VWAP as a result of the 10% discount as set out in the formula above, except where the discounted price would be lower than the Floor Price.

² Based on the number of Shares on issue as at the date of this Notice, being 1,143,377,358 Shares and does not include the effect of any other securities issued to Mercer under the CSA.

The table below is provided to demonstrate the dilution that may occur at various Conversion Prices and the maximum dilution that may occur at the Floor Price, assuming that the maximum number of Subsequent Tranche Convertible Notes are issued and are converted into Shares.

Example Shareholder	Holding as at date of Notice	% of Shares as at date of Notice	% after dilution at Conversion Price of \$0.0450	% after dilution at Conversion Price of \$0.0153	% after dilution at Floor Price of \$0.0125
Shareholder 1	500,000	0.044%	0.035%	0.024%	0.022%
Shareholder 2	2,000,000	0.175%	0.138%	0.098%	0.089%
Shareholder 3	5,000,000	0.437%	0.345%	0.245%	0.223%

B) Subsequent Tranche Convertible Notes

For each Subsequent Tranche, the number of Options to be issued is calculated as follows:

$$\text{No. of Options} = 75\% \text{ of the investment amount} / \text{Applicable VWAP}$$

where:

Applicable VWAP = the 20 day VWAP per Share immediately prior to the date of issue of the relevant Options

For the purposes of determining the number of Options for which shareholder approval is sought under this resolution, the Company has applied an indicative Applicable VWAP of \$0.0125. Accordingly, Shareholder approval under Listing Rule 7.1 is sought for the issue of 750,000,000 Options under Subsequent Tranches. Upon exercise, any Subsequent Tranche Options granted will convert into Shares on a 1 for 1 basis subject to the payment of the exercise price being 140% of the 20 day VWAP per Share immediately prior to the date of issue of the relevant Options.

It is noted that Shareholder approval under this Resolution 8, if passed, will be valid in respect of the issue of Options under any Subsequent Tranches at any Applicable VWAP, up to the approved limit of 750,000,000 Options (ie. the approval will not be limited by the application of an indicative Applicable VWAP of \$0.0125 as described above).

In the event that the Company is required to issue, in aggregate, in excess of 750,000,000 Options under CSA, the Company proposes to either seek further shareholder approval or issue the required additional Options under its then placement capacity under Listing Rule 7.1.

The table below is provided to demonstrate the number of Options that may be issued under the Subsequent Tranches at various Applicable VWAPs, based on the maximum investment amount of \$12,500,000. Notwithstanding the figures shown in the table below, in accordance with the CSA, the Company is not required to issue any Shares to Mercer if it reasonably considers that the issue of Shares will result in Mercer's voting power in the Company exceeding 19.99%.

Applicable VWAP	\$0.0125	\$0.0170	\$0.0200	\$0.0500
Number of Options issued	750,000,000	551,470,588	468,750,000	187,500,000
Shares issued on conversion of Subsequent Tranche Options	750,000,000	551,470,588	468,750,000	187,500,000
Total Shares on issue following conversion¹	1,893,377,358	1,694,847,946	1,612,127,358	1,330,877,358

Notes:

¹ Based on the number of Shares on issue as at the date of this Notice, being 1,143,377,358 Shares and does not include the effect of any other securities issued to Mercer under the CSA.

The table below is provided to demonstrate the dilution that may occur at various Applicable VWAPs, assuming the maximum investment amount of \$12,500,000 is drawn down and that all Options approved for the purposes of Resolution 8, are granted and then converted into Shares.

Example Shareholder	Holding as at date of Notice	% of Shares as at date of Notice	% after dilution at Applicable VWAP of \$0.050	% after dilution at Applicable VWAP of \$0.017	% after dilution at Applicable VWAP of \$0.0125
Shareholder 1	500,000	0.044%	0.038%	0.030%	0.026%
Shareholder 2	2,000,000	0.175%	0.150%	0.118%	0.106%
Shareholder 3	5,000,000	0.437%	0.376%	0.295%	0.264%

Please refer to section 6.2 of this Explanatory Memorandum for further background in relation to the Convertible Securities Agreement.

9.2 ASX Listing Rule 7.1

The Company seeks Shareholder approval under ASX Listing Rule 7.1 in respect of the issue of the as none of the exceptions in ASX Listing Rule 7.2 apply.

The Company has applied for a waiver from ASX to permit the Company to issue the Subsequent Tranche Convertible Notes and Subsequent Tranche Options to Mercer on or before 7 September 2024, pursuant to an approval received under this Resolution 8, rather than within three months from the date of the Meeting as would otherwise be required under Listing Rule 7.3.4 (**Waiver**).

9.5 Board Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 8.

10. Resolution 9: Adoption of new Constitution

10.1 Background

Section 136(2) of the Corporations Act provides that a company may modify or repeal its constitution or any provision of its constitution by a special resolution of its Shareholders.

Resolution 9 is a Special Resolution which will enable the Company to repeal its existing constitution which was dated 21 June 2017 (**Existing Constitution**) and adopt a new constitution (the **Proposed Constitution**), which is being updated to ensure that it reflects the current requirements of the Corporations Act (including matters identified in the explanatory statement with respect to Resolution 4, above). The Directors believe that in the circumstances it is preferable to replace the Existing Constitution with the Proposed Constitution, rather than to amend a multitude of specific rules.

A copy of the Proposed Constitution is set out in Annexure A to this Notice.

The Proposed Constitution is broadly consistent with the provisions of the Existing Constitution. It is not practicable to list all of the proposed changes to the Constitution in detail in this Explanatory Memorandum. However, a summary of those amendments which in the view of the Directors are material, are set out in the next section.

If Resolution 9 is passed, the Proposed Constitution will take effect as the Company's constitution on and from the conclusion of the Meeting. If Resolutions 9 is not passed, the Existing Constitution will remain in place as the Company's constitution.

10.2 Summary of material differences

There are certain differences that are not material or that are expect to have no material impact on Shareholders. These include:

- matters of a drafting, procedural or administrative nature; and
- removing outdated and redundant provisions.

In addition, where appropriate, the Proposed Constitution removes duplication of existing requirements under the Corporations Act or the ASX Listing Rules, which would otherwise require amendments if there are future legislative or regulatory changes.

It is not practicable to list all of the differences between the Existing Constitution and Proposed Constitution in detail in this Explanatory Memorandum. However, a summary of the material differences is set out below:

(a) Virtual general meetings

Although the Existing Constitution provides expressly for holding general meetings exclusively using technology, as virtual meetings, the provisions of the Proposed Constitution provide that any general meeting may be held virtually more clearly, using technology only, provided the technology gives members as a whole a reasonable opportunity to attend, participate, be heard and vote and otherwise meets applicable legal requirements.

(b) Employee incentive plan issue cap

In accordance with the New EIP Rules noted in section 5.2 of this Explanatory Memorandum, the provisions of the Proposed Constitution provide that, for the purposes of section 1100V of Division 1A of Part 7.12 the Corporations Act, the issue cap percentage for the Company is 10%.

If the Proposed Constitution is adopted, in accordance with section 1100V of the Corporations Act, as at the start of the day that an offer is made under Employee Incentive Plan, the Company must reasonably believe that:

- the total number of fully paid shares in the Company that are, or are covered by, the awards of the Company that may be issued under the offer; and
- the total number of fully paid shares in the Company that are, or are covered by, the awards that have been issued, or could have been issued, under offers made in connection with the EIP at any time during the 3 year period ending on the day the offer is made,

does not exceed 10% of the number of those fully paid shares or interests actually issued by the Company (whether in connection with the EIP or otherwise).

If the Proposed Constitution is not adopted, an issue cap of 5% will be applicable to the Company's Employee Incentive Plan, in accordance with section 1100V of the Corporations Act.

Further details in relation to the New EIP Rules are discussed in section 5.2 of this Explanatory Memorandum.

10.3 Board recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 9.

11. Resolution 10: Approval of 10% Placement Facility

11.1 Explanation

Under ASX Listing Rule 7.1, every listed entity has the ability to issue 15% of its issued capital without Shareholder approval in a 12 month period (**15% Placement Capacity**). ASX Listing Rule 7.1A permits eligible small and mid-cap ASX-listed entities, subject to Shareholder approval, to issue Equity Securities of up to an additional 10% of its issued capital by way of placements over a 12 month period, in addition to its ability to issue Equity Securities under Listing Rule 7.1 (**10% Placement Capacity**).

The Company seeks Shareholder approval under ASX Listing Rule 7.1A for the 10% Placement Capacity. The effect of this resolution will be to allow the Company, subject to the conditions set out below, to issue Equity Securities under the 10% Placement Capacity without using its 15% Placement Capacity under ASX Listing Rule 7.1.

Resolution 10 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote (in person or by proxy) at the meeting must be in favour of this resolution for it to be passed.

11.2 Eligibility

ASX-listed entities which have a market capitalisation of \$300 million or less, and which are not included in the S&P/ASX 300 Index, are eligible to seek Shareholder approval under ASX Listing Rule 7.1A. As at the date of this Notice, the Company is eligible to seek Shareholder approval under ASX Listing Rule 7.1A.

11.3 Formula

The exact number of additional Equity Securities that the Company may issue under the 10% Placement Capacity will be determined by a formula set out in ASX Listing Rule 7.1A.2 as follows:

(A x D) - E

Where:

A is the number of fully paid ordinary securities on issue at the commencement of the 12 month period before the date of issue or agreement (relevant period):

- plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17,

- plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4,
- plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4,
- plus the number of any other fully paid ordinary securities issued in the relevant period with approval under Listing Rule 7.1 or Listing Rule 7.4,
- plus the number of partly paid ordinary securities that became fully paid in the relevant period,
- less the number of fully paid ordinary securities cancelled in the relevant period.

(‘A’ has the same meaning in ASX Listing Rule 7.1 when calculating an entity’s 15% placement capacity.)

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under rule 7.4.

11.4 Conditions of issue under the 10% Placement Capacity

There are a number of conditions applicable to the issue of Equity Securities under ASX Listing Rule 7.1A, including a limitation on the discount to prevailing market price at which they may be issued, and additional disclosure requirements. A summary of these conditions is as follows:

- (a) Equity Securities issued under the 10% Placement Capacity can only be in a class of securities already quoted. At the date of this Notice, the Company only has one class of securities which are quoted, being ordinary shares.
- (b) The issue price of each Equity Security issued under the 10% Placement Capacity must be no less than 75% of the volume weighted average market price (**VWAP**) for Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before either:
 - i. the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the securities; or
 - ii. if the Equity Securities are not issued within 10 trading days of the date in paragraph (i), the date on which the securities are issued.

11.5 Period of validity of Shareholder approval

In the event that the Company obtains Shareholder approval of Resolution 10, such approval will cease to be valid upon the earlier of:

- (a) 12 months after the date of this Annual General Meeting;
- (b) the time and date of the entity’s next Annual General Meeting; or

- (c) if applicable, the time and date on which the Company's Shareholders approve a change to the nature or scale of the Company's activities under ASX Listing Rule 11.1.2, or the disposal of the Company's main undertaking under ASX Listing Rule 11.2,

(the **Placement Period**).

11.6 Information to be provided to Shareholders under ASX Listing Rule 7.3A

(a) **Minimum issue price**

The issue price of each Equity Security issued under the 10% Placement Capacity must be no less than 75% of the VWAP for Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before either:

- i. the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the securities; or
- ii. if the Equity Securities are not issued within 10 trading days of the date in paragraph (i), the date on which the securities are issued.

(b) **Risk of dilution to Shareholders**

If Resolution 10 is approved by Shareholders, any issue of Equity Securities under the 10% Placement Capacity may present a risk of economic and voting dilution of existing Shareholders, including the risk that:

- the market price of the Company's Equity Securities may be significantly lower on the relevant issue date than on the date of the Meeting; and
- the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

The table below shows the potential dilution of existing Shareholders under various scenarios on the basis of:

- an issue price of \$0.017 per share which was the closing price of the Company's shares on the ASX on 13 April 2023; and
- the variable 'A' being calculated as the number of fully paid ordinary Shares on issue as at 13 April 2023, being 1,143,377,358.

The table also shows:

- three examples where variable 'A' has increased by 20%, 50% and 100%. The number of Shares on issue in the Company may increase as a result of the issue of Shares that do not require approval of Shareholders (for example, pro-rata entitlement issues or scrip issues under takeover offers) or future placements of shares under ASX Listing Rule 7.1 of up to 15% of issued capital that are approved at future general meetings of Shareholders; and
- two examples of where the issue price of Shares has decreased to 50% and increased by 100%.

VARIABLE 'A'		Dilution		
		50% of issue price \$0.0085	Issue price \$0.017	100% increase in issue price \$0.034
Variable 'A' 1,143,377,358 Shares	10% voting dilution	114,337,736 Shares	114,337,736 Shares	114,337,736 Shares
	Funds raised	\$971,871	\$1,943,742	\$3,887,483
20% increase in Variable 'A' 1,372,052,830 Shares	10% voting dilution	137,205,283 Shares	137,205,283 Shares	137,205,283 Shares
	Funds raised	\$1,166,245	\$2,332,490	\$4,664,980
50% increase in Variable 'A' 1,715,066,037 Shares	10% voting dilution	171,506,604 Shares	171,506,604 Shares	171,506,604 Shares
	Funds raised	\$1,457,806	\$2,915,612	\$5,831,225
100% increase in Variable 'A' 2,286,754,716 Shares	10% voting dilution	228,675,472 Shares	228,675,472 Shares	228,675,472 Shares
	Funds raised	\$1,943,742	\$3,887,483	\$7,774,966

The table has been prepared on the following assumptions:

- the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity;
- no options to acquire Shares on issue in the Company are exercised, and no other convertible securities on issue convert into Shares;
- the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue;
- the table does not show an example of dilution that may be caused to a particular Shareholder as a result of placements under the 10% Placement Capacity based on that Shareholder's holding at the date of the Meeting;
- the table shows only the effect of issues of Equity Securities under the 10% Placement Capacity in accordance with ASX Listing Rule 7.1A and not under the 15% Placement Capacity under ASX Listing Rule 7.1;
- the issue of Equity Securities under the 10% Placement Capacity consists only of Shares; and
- the issue price is \$0.017, being the closing price of the Company's shares on the ASX on 13 April 2023 .

(c) **Period of validity**

The Company will only issue and allot the Equity Securities during the Placement Period. The approval under Resolution 10 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking).

(d) **Reason for issue of shares under 10% Placement Capacity**

The Company may seek to issue the Equity Securities for cash consideration only, the proceeds of which will be applied to fund the Company's existing and future activities, appraisal of corporate opportunities, investment in new businesses (if any), the costs incurred in undertaking placement(s) of Equity Securities under ASX Listing Rule 7.1.A and for general working capital.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.3 upon issue of any Equity Securities.

(e) **Allocation policy**

The Company may not issue any or all the Equity Securities for which approval is given and may issue the Equity Securities progressively as the Company places the Equity Securities with investors.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to factors such as:

- fundraising options (and their viability) available to the Company at the relevant time;
- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation of the Company and the urgency of the requirement for funds; and
- advice from the Company's corporate, financial, legal and broking advisers.

The allottees under the 10% Placement Capacity have not been determined as at the date of this Notice.

It is intended that the allottees will be suitable professional and sophisticated investors, and other investors not requiring a disclosure document under section 708 of the Corporations Act, that are known to the Company and/or introduced by third parties.

The allottees may include existing substantial Shareholders and/or new Shareholders, but the allottees will not be related parties of the Company.

(f) **Previous approval**

The Company previously obtained approval under ASX Listing Rule 7.1A on 25 May 2022 (Previous Approval).

In accordance with Listing Rule 7.3A.6, no shares were issued under the 10% Placement Capacity during the Relevant Period.

11.7 If the resolution is not approved

If Resolution 10 is not approved, the Company will not be able to access the additional 10% Placement Capacity to issue Equity Securities without Shareholder approval, as provided for in Listing Rule 7.1A, and will remain subject to the 15% Placement Capacity limit on issuing Equity Securities without Shareholder approval as set out in Listing Rule 7.1. This may impact the Company's ability to raise funds of the same kind as outlined in the table above.

11.8 Voting Exclusion

A voting exclusion statement applies to this resolution, as set out in the Notice.

11.9 Board Recommendation

The Board unanimously recommend that Shareholders vote in favour of Resolution 10.

Schedule 1 - Summary of the New Plan

A summary of the key terms of the New Plan is set out below:

1. Purpose of the New Plan

The purpose of the Plan is to:

- (a) assist in the reward, retention and motivation of eligible participants;
- (b) link the reward of eligible participants to Shareholder value creation; and
- (c) align the interests of eligible participants with shareholders of the Group (being the Company and each of its Related Bodies Corporate), by providing an opportunity to eligible participants to receive an equity interest in the Company in the form of Awards (being securities exercisable for Shares, including options and performance rights).

2. Eligibility to participate

An eligible participant means a person that:

- (a) is a "primary participant" (as defined in section 1100L(1)(a) Corporations Act or any amendment or replacement thereof) in relation to the Company or a Related Body Corporate; and
- (b) has been determined by the Board to be eligible to participate in the Plan from time to time.

3. Related persons of Employees

If an Eligible Participant is permitted in the Offer, they may, by written notice to the Board, nominate a Permitted Nominee in whose favour the Eligible Participant wishes to renounce the Offer.

4. Administration of the New Plan

The New Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the New Plan rules in its absolute discretion. The Board may delegate its powers and discretion.

5. Offers of Awards

The Board may from time to time determine that an eligible participant may participate in the New Plan and make an offer to that eligible participant to apply for Awards.

6. Applications for Awards

An eligible participant who wishes to apply to participate in the New Plan in response to an Offer must provide a completed application form to the Company. The Board may accept an application from an eligible participant in whole or in part. If an eligible participant is permitted in the Offer, the eligible participant may, by notice in writing to the Board, nominate a party in whose favour the eligible participant wishes to renounce the invitation in order for that nominee to be granted the Awards the subject of the Offer.

7. Grant of Awards

The Company will, to the extent that it has accepted a duly completed application, grant the participant the relevant number of Awards, subject to the terms and conditions set out in the Offer, the New Plan rules and any ancillary documentation required.

8. Terms of Awards

Each 'Award' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the New Plan. Prior to an Award being exercised, a participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Award by virtue of holding the Award.

9. Vesting of Awards

Any vesting conditions applicable to the grant of Awards will be described in the Offer. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the participant by the Company informing them that the relevant Awards have vested.

Unless and until the vesting notice is issued by the Company, the Awards will not be considered to have vested.

For the avoidance of doubt, if the vesting conditions relevant to an Award are not satisfied and/or otherwise waived by the Board, that Award will lapse.

10. Rights

All Shares issued under the New Plan or issued or transferred to a participant upon the valid exercise of an Award, will rank equally in all respects with the Shares of the same class. A participant will be entitled to any dividends declared and distributed by the Company on the Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Shares. A participant may exercise any voting rights attaching to Shares.

11. Adjustment for capital reconstructions

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each participant holding Awards will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Awards is entitled, upon exercise of the Awards, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Awards are exercised.

Unless otherwise determined by the Board, a holder of Awards does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

12. Participation in new issues

There are no participation rights or entitlements inherent in the Awards and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Awards without exercising the Awards.

13. Amendment of Plan

Subject to the following paragraph, the Board may at any time amend any provisions of the New Plan rules, including the terms upon which any Awards have been granted under the New Plan and determine that any amendments to the New Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

14. Term of plan

Subject to the Listing Rules, the New Plan continues in operation until the Board decides to end it.

The Board may from time to time suspend the operation of the New Plan for a fixed period or indefinitely, and may end any suspension. If the New Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the participants.

- (a) A written transfer referred to in clause 5.1(a)(ii) must be:

 - (ii) lodged for registration at the Registered Office or any other location approved by the Directors, together with:
 - (A) the certificate (if any) for the relevant Shares; and
 - (B) any other information that the Directors may require to establish the transferor's right to transfer the Shares.
- (b) Subject to any powers of the Company or the Directors to refuse registration (under clause 5.3 or otherwise), on compliance with clause 5.2(a), the Company must register the transferee as a Member.
- (c) The Directors may waive compliance with clause 5.2(a)(ii) on receipt of satisfactory evidence of loss or destruction of the certificate.

5.3 Refusing a transfer

Subject to the Corporations Act, the Listing Rules and the ASX Settlement Operating Rules, the Directors may in their absolute discretion ask ASX Settlement to apply a holding

lock to prevent a transfer under the ASX Settlement Operating Rules, or refuse to register a paper-based transfer, of a Share where:

- (a) the Company has a lien on the Shares the subject of the transfer;
- (b) the Company is served with a court order that restricts the relevant Member's capacity to transfer the Shares;
- (c) registration of the transfer may breach a Law and ASX has agreed in writing to the application of a holding lock (which must not breach an ASX Settlement Operating Rule) or that the Company may refuse to register a transfer;
- (d) this Constitution or the Listing Rules permits them to do so;
- (e) if the transfer is paper-based, a Law related to stamp duty prohibits the Company from registering it;
- (f) the transfer does not comply with the terms of any employee incentive scheme of the Company;
- (g) if the transfer is paper-based, registration of the transfer will create a new holding which at the time the transfer is lodged is less than a Marketable Parcel; or
- (h) the Member has agreed in writing to the application of a holding lock (which must not breach an ASX Settlement Operating Rule) or that the Company may refuse to register a paper-based transfer.

5.4 Notice of non-registration

If the Directors decline to register any transfer of Shares, the Company must, within 5 Business Days after the transfer is lodged with the Company, give to the person who lodged the transfer written notice of the Company's decision to decline registration and the reason for that decision.

5.5 Suspension of transfers

Subject to the ASX Settlement Operating Rules, the Directors may suspend registration of transfers of Shares at any times and for any periods as they decide from time to time.

6. Transmission of Shares

6.1 Transmission of Shares on death

- (a) Where a Member dies:
 - (i) the surviving Member, where the deceased Member was a joint holder; and
 - (ii) the legal personal representatives of the deceased Member, where the Member was a sole holder,

are the only persons recognised by the Company as having any title to the Member's interest in the Shares.
- (b) The Directors may require evidence of a Member's death as they think fit.

- (c) This clause does not release the estate of a deceased joint holder from any liability in respect of a Share that had been jointly held by the holder with another person or persons.

6.2 Transmission of Shares by operation of Law

- (a) Subject to any applicable Law, if a person:
 - (i) becomes entitled to a Share in consequence of the death, incapacity or bankruptcy of a Member; and
 - (ii) provides the Directors with any information they reasonably require to establish their entitlement,

the person may, by written notice, elect to:

 - (iii) be registered personally as holder of the Share; or
 - (iv) have another person registered as the transferee of the Share.
- (b) All the clauses of this Constitution relating to transfers and registrations are applicable to any transfer as if the death, incapacity or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by that Member.

6.3 Dividends and other rights

Where a Member dies, becomes incapacitated or bankrupt, the Member's legal personal representative or the trustee of the Member's estate (as the case may be) is, on the production of all information as is properly required by the Directors, entitled to the same:

- (a) Dividends, entitlements and other advantages; and
 - (b) rights (whether in relation to meetings of the Company or to voting or otherwise),
- as the Member would have been entitled to if the Member had not died, become incapacitated or bankrupt.

7. Calls on Shares

7.1 Calls

- (a) Subject to the terms of issue of any Shares, the Directors may make calls on a Member in respect of money unpaid on the Member's Shares.
- (b) If the terms of issue of any Shares include a call program for the payment of money unpaid on the Shares, the relevant Members must pay all money payable in accordance with that call program.
- (c) The Directors may postpone the time for payment on a call or may revoke a call.
- (d) A call may be payable by instalments.
- (e) The Directors may differentiate between Members as to the amount of calls to be paid and the times of payment.

- (f) A call is made when the resolution of the Directors authorising the call is passed or otherwise as specified in the resolution.
- (g) The Company must send notices of a call to the relevant Members at least 30 Business Days before the due date for payment.
- (h) Members who receive a call must pay the called amount at the time or times and in the manner set out in the notice.
- (i) The non-receipt of a notice of a call, or the accidental omission to give notice of a call, does not invalidate the call.

7.2 Liability of joint holders for calls

The joint holders of a Share are jointly and severally liable to pay all calls in respect of the Share.

7.3 Interest on unpaid amounts

- (a) If an amount called or otherwise payable to the Company in respect of a Share is not paid before or on the day nominated for payment of the amount, the person from whom the amount is due must pay:
 - (i) interest on the amount from the day nominated for payment of the amount to the time of actual payment at a rate determined by the Directors but not exceeding the Prescribed Rate; and
 - (ii) any costs and expenses incurred by the Company by reason of the non-payment or late payment.
- (b) The Directors may waive payment of that interest wholly or in part.

7.4 Fixed sums taken to be called

- (a) Any sum that, under the terms of issue of a Share, becomes payable on issue or at or after a fixed or defined date is, for the purposes of this Constitution, taken to have been duly called and is payable on the date payable under the terms of issue.
- (b) If any other sum is not paid when due, all the provisions of this Constitution relating to payment of interest and expenses, forfeiture or otherwise apply as if that sum had become payable by virtue of a call duly made and notified.

7.5 Prepayments of calls

- (a) The Directors may accept from a Member the whole or a part of the amount unpaid on a Share even if that amount has not been called.
- (b) The Directors may authorise payment of interest on the whole or any part of an amount accepted under clause 7.5(a) until the amount becomes payable at a rate, not exceeding the Prescribed Rate, that is agreed between the Directors and the Member paying the sum.
- (c) The Directors may at any time repay the whole or any part of any amount paid in advance and any interest agreed abates from the time of payment.

8. Lien on Shares

8.1 Company has lien

- (a) The Company has an exclusive first lien on every Share (and the proceeds of sale of every Share) for:
 - (i) any amount due and unpaid in respect of the Share that has been called or is payable at a fixed time;
 - (ii) any amounts which remain outstanding on loans made by the Company to acquire Shares under an employee incentive scheme;
 - (iii) all amounts that the Company has paid as required by Law in respect of the Share; and
 - (iv) reasonable expenses incurred because the amount has not been paid and reasonable interest on the amount from the date it was due for payment until the date of payment.
- (b) The Directors may at any time exempt a Share wholly or in part from this clause 8.1.
- (c) The Company's lien (if any) on a Share extends to all Dividends payable and entitlements in respect of the Share. The Company may retain those Dividends or entitlements and may apply them in or towards satisfaction of all amounts due to the Company in respect of that Share.
- (d) No person is entitled to exercise any rights or privileges as a Member until the Member has paid all amounts (including reasonable expenses and interest) for the time being payable in respect of every Share held by the Member.

8.2 Exercise of lien

- (a) Subject to the Listing Rules and to clause 8.2(b), the Company may sell any Shares on which the Company has a lien, in the manner that the Directors think fit.
- (b) A Share on which the Company has a lien may not be sold unless:
 - (i) an amount in respect of which the lien exists is payable; and
 - (ii) at least 10 Business Days before the date of the sale, the Company has given to the Member or the person entitled to the Share by reason of the death, mental incapacity or bankruptcy of the Member, a notice in writing demanding payment of the amount.

8.3 Completion of sale

- (a) For the purpose of giving effect to a sale of Shares to enforce a lien, the Directors may authorise a person to do everything necessary to effect a transfer of the Shares in favour of the purchaser.
- (b) The Company must register the purchaser as the holder of the Shares comprised in any transfer, after which the validity of the sale may not be disputed by any person and the purchaser is not concerned with the application of the purchase money.

- (c) The title of the purchaser to the Shares is not affected by any irregularity or invalidity in connection with the sale.
- (d) The purchaser is discharged from liability for any calls which were in default before the purchase of those Shares, unless otherwise expressly agreed.
- (e) The only remedy of any person aggrieved by any sale of a Share under this clause 8 is in damages and against the Company exclusively.

8.4 Application of proceeds of sale

The proceeds of a sale made to enforce a lien must be applied by the Company in the following order:

- (a) firstly, in payment of the costs of enforcement of the lien and of the sale;
- (b) secondly, in satisfaction of the amount in respect of which the lien exists as is then payable to the Company (including expenses and interest); and
- (c) thirdly, the residue (if any) to or at the direction of the person registered as the holder of the Shares immediately prior to the sale, on production of any evidence as to title required by the Directors.

9. Forfeiture and surrender of Shares

9.1 Liability to forfeiture

- (a) If a Member fails to pay a call or instalment of a call when due, the Directors may, at any time afterwards while any part of the call or instalment remains unpaid, serve a notice on the Member requiring payment of so much of the unpaid call or instalment, together with any accrued interest and all expenses incurred as a result of the non-payment.
- (b) The notice must:
 - (i) specify a day at least 10 Business Days after the date of the notice by which the payment is to be made and a place where the payment is to be made; and
 - (ii) state that the Shares in respect of which the call was made are liable to be forfeited if payment is not made by the time specified.

9.2 Surrender of Shares

Subject to the Corporations Act and the Listing Rules, the Directors may accept the:

- (a) surrender of any fully paid Share by way of compromise of any question as to the proper registration of the holder or in satisfaction of any payment due to the Company; and
- (b) gratuitous surrender of any fully paid Share.

Any Share so surrendered may be disposed of in the same manner as a forfeited Share.

9.3 Power to forfeit

- (a) Subject to the Corporations Act and the Listing Rules, if the requirements of a notice under clause 9.1 are not complied with, any Share in respect of which the notice has been given may, at any time afterwards but before the payment required by the notice has been made, be forfeited by a resolution of the Directors to that effect.
- (b) Such a forfeiture includes all Dividends declared in respect of the forfeited Shares and not actually paid before the forfeiture.

9.4 Notice of forfeiture

- (a) Notice of the resolution approving the forfeiture must be given to the Member in whose name the Share was registered immediately before the forfeiture and an entry of the forfeiture and its date must be made promptly in the Register.
- (b) The validity of any forfeiture is not affected in any way by any omission to give the notice or to make the entry in the Register in accordance with clause 9.4(a).

9.5 Powers of Directors

- (a) A forfeited Share may be sold or otherwise disposed of as the Directors think fit.
- (b) A forfeiture of a Share may be cancelled on the terms that the Directors think fit at any time before a sale or disposition of the Share.
- (c) The proceeds of sale of a forfeited Share must be applied in the following order:

 - (ii) secondly, in satisfaction of the amount in respect of the Shares as is then payable to the Company (including interest); and
 - (iii) thirdly, the residue (if any) to or at the direction of the person registered as the holder of the Shares immediately prior to the sale or to the person's estate, on production of any evidence as to title required by the Directors.

9.6 Consequences of forfeiture

A person whose Shares have been forfeited:

- (a) ceases to be a Member in respect of the forfeited Shares at the time of the Directors' resolution approving the forfeiture;
- (b) has no claims or demands against the Company in respect of those forfeited Shares;
- (c) has no other rights to the forfeited Shares except any rights expressly provided by the Corporations Act or this Constitution; and
- (d) remains liable to pay to the Company all amounts that, at the date of forfeiture, were payable by the person to the Company in respect of the Shares including, if the Directors think fit, reasonable expenses of the sale or disposal of the Shares and interest at the Prescribed Rate on the unpaid amounts from the date of forfeiture until the date of payment.

9.7 Evidentiary matters

Without prejudice to clause 9.4, a statement in writing by a Director or a Secretary of the Company to the effect that:

- (a) a Share in the Company has been duly forfeited on a date specified in the statement; or
- (b) a particular amount is payable by a Member or former Member to the Company at a particular date in respect of a call or instalment of a call (including interest),

is, in the absence of manifest error, conclusive evidence of the facts set out in the statement as against all persons claiming to be entitled to the Share and against the Member or former Member who remains liable to the Company under clause 9.6(d).

9.8 Transfers after forfeiture and sale

- (a) The Company may:
 - (i) receive the proceeds of sale or of disposition of a forfeited Share; and
 - (ii) transfer the Share to the transferee.

 - (ii) the Member no longer holds the Shares; or
 - (iii) the Member gives written notice to the Company stating that it wishes to retain its holding.

- (d) In addition to the powers of the Company and the Directors set out above, the Company may sell a Member's Shares that constitute a Small Holding if, any time after the adoption of this clause, the Shares are in a new holding created by the transfer of a parcel of Shares that was less than a Marketable Parcel:

No money payable under this clause by the Company to a former Member bears interest as against the Company.

10.6 Effect of sale

The exercise by the Company of its powers under this clause 10 extinguishes all interests in the Shares of the former Member, and all claims against the Company in respect of those Shares by that Member including all Dividends (whether final or interim) determined to be paid in respect of those Shares and not actually paid or accrued.

Indicate who you want to appoint as your Proxy.

If you wish to appoint the Chair of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chair of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy need not be a securityholder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy you must:

- complete two Proxy Forms. On each Proxy Form state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- return both forms together in the same envelope.

STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the company's securities registry.
